

This table contains the baptismal records I've collected thus far for Elizabeth Clarks from Northamptonshire and Surrey. I've concentrated on the ones near the probable birth date of Elizabeth Clark, wife of John Haddon. So far, I've found no definite proof to verify her birth date, or who her parents were. If anyone who sees this knows who they were, or when Elizabeth was born or baptized, please contact me at this e-mail address: ahopkins@alum.mit.edu
