

Middleton Cheney, Northamptonshire Parish Records

FHL #6128082 Middleton Cheney Parish Registers: Baptisms, Marriages & Burials, 1558-1708

These are records I extracted from the records of the parish church at Middleton Cheney, Northamptonshire. Some of the pages were very faint and hard to read, so I may have missed some records in the 1640s. Some of the handwriting was hard to read, so I had to guess at some of the names.
