Parish Registers for St. Paul's Church, Wooburn, 1653-1918, FHL #1966923

I didn't find any mention of my Hopkins family of Wooburn in the Friends records after 1720. I hoped to find them in the records of the parish church of Wooburn. It sometimes happened that Friends were also recorded in parish records, in addition to the Friends records.

I searched the records for this parish for the time periods shown below. I found no records for Hopkins, although I did find some for surnames with similar spellings. I also searched for Hoare or Belson surnames, and found one Hoare and one Bilson. I also found a number of Fellows, which is a surname related to my family.
